## Standard & Mini Fence Line Feeders

### Standard Fence Line Feeder Trough Width of 30"

- Trough is all steel and easy to fill with mixer-trailer or forage rack.
- Slant bar can be used for fence line feeding or feeding in calf & youngstock buildings.
- Legs provide easy cleaning under the unit.
- Bent lip on legs allow for the unit to be fastened to a concrete base.

### Mini Fence Line Feeder Trough Width of 24"

| MINI FENCE LINE FEEDERS     |        |       |                    |
|-----------------------------|--------|-------|--------------------|
| MODEL #                     | LENGTH | WIDTH | SLANT BAR OPENINGS |
| MFLF8                       | 8FT    | 24IN  | 6                  |
